

ALL CREATURES GREAT AND SMALL!

It's great to celebrate the wonderful livestock that God put on our Earth. On 24 October we all took our pets to church to celebrate the joy, fun, and companionship that they give us. Well done to those children who read from the bible the Creation, and Noah and The Ark amidst all the barking and yelping. A journalist from the Gazette joined us along with our vicar Mike Dent and of course Desmond the Toucan.

It's fun to be a pet for a day!

All the monkeys together!

The next day children dressed up as an animal and brought animal food to school to donate to the RSPCA. Jan Ormiston brought her rescue dogs into school and talked to us all about taking care of all animals, whether they belong to us or to nature.

Meeting a rescue dog, with Jan in worship.

Altogether we raised 27 packets of cat food, 16 tins of dog food, 132 chew sticks, and three boxes of Bonio's which have been passed on to the RSPCA shop. Mrs Walton also donated a big box of cat food for sickly cats which has been given to the local vet to help out a poorly animal in need.
