Schools are fascinating places and being a governor can be very enjoyable and worthwhile. Governors come from all sections of the community: parents, staff at the school, businesses and local community representatives - in fact almost anyone. There is always a need for enthusiastic and committed people to serve as governors.

We currently have an Acklington First parent governor vacancy

You don't need any special qualifications or professional skills - just a commitment to help the college do the best it can for all of our children. You will play an important role in the life of the college as you are accountable for, and have a responsibility for, the work of the school.

Governors are supported by the Local Authority (LA) which provides a wide range of support services, information and materials. The LA works to ensure that the crucial role that governors play in the life of schools is recognised and understood.
