

## Worship Diary - Spring 2 2014

On 28 January our friends, Ian Campbell and John Tinkler came to visit us. Ian told us the story of the Prodigal Son using drama, song, and a comic board. Caitlin (Y3) said the worship was, "absolutely brilliant because it is a story about what Jesus wants us to be like, and it was the best fun ever." Brandon (Y1) said "the dad in the story was really nice like my dad. My dad is a farmer like the one in the story, and my dad is always kind to me even when I fight with my cousins."

King Hezekiah's Ping-Pong Ball Game kept us all on our toes. The children had to listen attentively to the story to answer questions. Correct answers were rewarded with ping-pong balls that go into the tunnel and accumulate points at the bottom. With scores soaring into the thousands the children were also given an unexpected maths challenge!

We enjoy having visitors in from different churches and places of worship, and can't wait for our next visit from Ian and John!

Over the month of February children thought about offerings, linked to work in worship about Buddhism and Places of Worship in Religious Education lessons. Mrs Joyce delivered a thoughtful session in which children placed different offerings next to the statue of the Buddha and prayed for prosperous times and peace.
