Click on the link above to hear about our story this week.

English

Our story this week is: **Rapunzel by Bethan Woollvin**. I will upload the Power of Reading planning to class dojo. Upload your completed activities to our class dojo page.

Here is some additional activities you can choose from:

- Can you make a story box to use to retell this story? You will need a shoe box or cardboard box. You could make small figures of Rapunzel, the witch and the horse, as well as the tower in the forest.

- Can you plan other ways that Rapunzel could escape the tower?
- Can you write a set of instructions on how to escape the tower? Here is a video to help you to write a set of instructions: <https://www.youtube.com/watch?v=2189sv8Bvy4>
- Write a book review for this story. Did you enjoy the story? What was your favourite part? I will upload a book review form for you.

My Book Review

Title: _____

Author: _____

Did you like the book?
Rate the book by colouring in the stars.

☆☆☆☆☆

What was your favourite part?

- Can you read the original story of Rapunzel? What is the same and different to this story of Rapunzel?
- Can you read some other books by the author 'Bethan Woollvin? I love the story 'Little Red' <https://www.youtube.com/watch?v=-wB4iatUIj0>

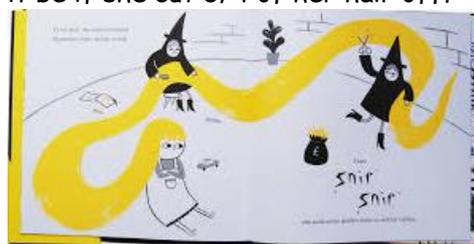

Mathematics

Our focus the week is Fractions.

- We will be continuing to follow our school Maths scheme 'White Rose Maths'. You can find daily videos and activities for to do here: White Rose home learning Year 2 Summer Week 7 <https://whiterosemaths.com/homelearning/year-2/> Upload your completed activities to our class dojo. I will upload the worksheets as we have a White Rose subscription.

Here are some additional activities you might want to do:

- Play the fractions level of Karate Cats Maths - can you collect a cool new costume for your cats? Here is the link: <https://www.bbc.co.uk/bitesize/topics/zjkphbk/articles/zf4sscw>
- Rapunzel wants you to find $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{3}{4}$ of these amounts of money:
 - 8p
 - 12p
 - 16p
 - 20p
- Problem solving: Rapunzel's hair is 100cm long. How long would it be if she cut $\frac{1}{2}$ of her hair off? How long would it be if she cut $\frac{1}{4}$ of her hair off? How long would it be if she cut $\frac{3}{4}$ of her hair off?

- Draw a range of shapes and shade in $\frac{1}{2}$, $\frac{1}{4}$, $\frac{2}{4}$, $\frac{3}{4}$, $\frac{1}{3}$ of the shapes.
- Rapunzel thinks $\frac{1}{2}$ is bigger than $\frac{3}{4}$. Do you think she is correct? Can you show me this?

Spelling

- ✓ Our spelling patterns to practise this week are:
 - Homophones: sea/ see blew/blue be/bee night/knight hear/here
- ✓ Please continue to read every day.
- ✓ Practise your cursive handwriting using the support sheet.

Learn how to read and spell year 2 common exception words

- Make your own castle using cardboard boxes and other recycled materials. What 3D shapes did you use to make your castle?
- Map making - Create a bird's eye view map of a castle. What features lay within the castle walls?
- Local castles - Locate castles near to you and mark them on a UK map. Can you name the castles in Northumberland?
- Learn about the features of a castle. Label a castle picture correctly using the appropriate vocabulary.
- Design and make a knight shield.

This week's Whole School Home Challenge

What do you know about castles?

You can choose the way in which you do this. It can be a painting, a model, an ICT presentation....anything you like. If you have brothers or sisters from Primary School at home, you can work with them. We look forward to seeing what you create!

We are really enjoying seeing what you have been doing. We know you are working very hard at home to support your children and we very much appreciate it. Thank you very much.

You can upload your child's work through our Class Dojo. It has been lovely to see all of the amazing work that you have been doing. If you need to chat to us about anything please get in touch through Class Dojo.

Please continue to take care, stay safe and keep smiling. Miss Mundy
