Rush Rush! Hush Hush!

splish

splash

splat

thin or fat!

Swoosh spitted out!

Up then down

Down then all around!

NOISE AGAINST

Make a *pitter patter* on the wall.

Then down a tumblepool **WOOOOOSH**

Current rises

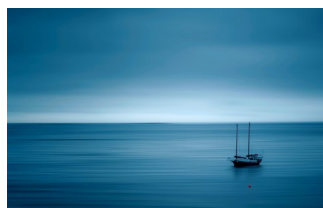

Riverbed falls.

A lovely noise starts to show

Makes a hiss then a blow,

After that let it go.

No a bend!

Fast then slow.  
Make me a sea so clam so blue.
