Dear Parents/Children

Mystery book swop! We would like the children to bring in a book they have enjoyed but do not want to keep anymore, the book should be wrapped in paper (newspaper would be fine) and they should have written on the front what age the book is suitable for and a short blurb so that children can get a clue of what the book is about. Please can the blurbs be written clearly on plain paper and stuck/attached to the wrapped book and also state what age the book is for.

We are hoping that every child will go home that night with a different book to read. If children have 2 books they would like to donate to the swop, then that would be lovely to ensure that all children get a book.

Please can you all make sure that the book brought in is suitable for your child's age group - i.e. if everyone in year 4 sent in books suitable for Reception age there would be no books to swop for themselves.

We are also holding a small book competition for you all after school on Thursday 7<sup>th</sup> March. The competition is to guess the story from the artefacts on show. All are welcome to join in. (Mrs Houghton's after school club will still run this day)

Many thanks.
