

BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER 18 JUNE 2021

Dear Parents and Carers,

It has been Healthy Eating Week in school this week and across the week there have been various themes to discuss and engage in all about making healthy lifestyle choices. We really work hard together in our classes to help all children and adults to make good choices both for their physical health but also to promote positive health and wellbeing. There has been a buzz of learning and busy children around school this week with Reception children exploring Surprising Sharks, the Year 1/2 class going back in time to explore Riding Mill from the past and Year 3/4 building aqueducts linked to their work on the Romans. We also continue to enjoy the sunshine and are hoping it stays for the events we have planned over the next 4 weeks. While we are disappointed that restrictions can not yet be eased and parents cannot attend whole school events yet, we really understand the need to remain cautious. If we continue to be as sensible and measured as we have been, we are ever hopeful we can reach the end of term without bubble closures whilst still ensuring the children enjoy all our fun events at the end of this term.

Our lovely Year 4 children will be watching the Newcastle Leavers Service from the diocese before the end of term. The theme is Building Something that Lasts. Whilst we normally travel to church to share the service with other Year 4 and Year 6 leavers from Northumberland, we are grateful to be able to share the service in our classes and we will share the link with our Year 4 families too. The service is the perfect opportunity to reflect on the positives from this year, the whole journey through school and also to look towards shining our lights wherever we go in the future.

Have a lovely weekend.

J Ainsley & S Gray
Executive Head Teacher
Executive Deputy Head Teacher

REMINDER: COVID SAFETY MEASURES:

All of our safety measures will remain in place. Please remember not to arrive before 08:50am as we hope to avoid families having to wait in a crowd. Doors and gates will continue to open at 8:50am and close at 9am giving a 10 minute window for children to all arrive safely. Use of adult face coverings will continue at this time unless you are exempt. Many thanks for your support.
