REVIEW OF THE [PREVIOUS] ACADEMIC YEAR

Summary of objectives	Summary of expenditure	Impact on progress and attainment of eligible pupils	Comments
<p>To develop the social interaction skills with pupil premium children to develop positive relationships with peers.</p> <p>To improve attendance of PP children and support with ongoing medical issues impacting school attendance.</p>	<p>PP grant used to fund extra curricular activities, including all class trips, residential, cookery club and a 30% payment towards music lessons.</p> <p>Regular monitoring by office staff, no cost.</p> <p>Class T to send additional work home when illness occurs. No cost.</p>	<p>The specific focus for this year was to develop the friendship issues that were becoming an in class. Differences in attitude were evident with fewer lessons impacted by friendship issues from break times.</p> <p>Attendance improved by end of summer term.</p>	<p>Funding allocated to cover the costs of extra curricular activities that peers were attending, this allowed the further development of positive relationships within school.</p> <p>Attendance was related to repeated illness caused by the same issue. After extensive hospital assessments and appointments treatments were in place from Summer term.</p> <p>The irregular attendance at school caused further friendship issues, leading to an impact on lessons. School kept regular contact with home through the process supporting where possible.</p>

Total pupil premium allocation for 2018-19 academic year: £7580
