## **Complaints Procedure For Use By Parents And Members Of The Public.**

We are a very open school and aim that our school provides the best possible education for all our children supported by very positive relationships with all parents and carers. Schools have procedures in place in case there are complaints by parents or carers. The following policy sets out the procedure that the school follows in such cases.

If any parent is unhappy with the education that their child is receiving, or has any concern relating to the school, we encourage that person to talk to the child's class teacher or member of staff immediately so we can try and work to resolve the concern.

- This procedure is for use for complaints against the school, a member of staff or the governing body. There are separate arrangements, laid down by law to cover the following:
  - Complaints against the curriculum, collective worship and religious education.
  - Appeals against admissions.
  - Appeals against exclusions.
  - Appeals about assessments and statements of special educational needs.
- For further guidance on any of the above please contact the Headteacher.

### **Stage One: Complaint Heard by Staff Member/Headteacher/ Chair of Governors.**

- It is in everyone's interest that complaints are resolved at the earliest possible stage. The experience of the first contact between the complainant and the school can be crucial in determining whether the complaint will escalate. To that end, if staff are made aware of the procedures, they know what to do when they receive a complaint.
- In the first instance the complaint should be discussed between the person making the complaint and the member of staff involved. If a complainant indicates that he/she would have difficulty discussing a complaint with that particular member of staff he/she should be referred to another staff member. Where the complaint concerns the headteacher, or a governor, the complainant should be referred to the chair of governors.
- Similarly, if a member of staff/headteacher/chair of governors feels too compromised to deal with a complaint it should be referred to another member of staff or another governor. The ability to consider the complaint objectively and impartially is crucial and it is also important to give an indication of timescale if it is found that the complaint requires further investigation.
- If a complainant first approaches a governor, he/she should be referred to the appropriate person i.e. the member of staff concerned or the chair of governors. Governors should not act unilaterally on an individual complaint outside the formal procedure or be involved at the early stages in case they are needed to sit on a committee at a later stage of the procedure.
- It is hoped the majority of complaints can be resolved at this stage and to this end it may be useful to involve the Client Relations service, within the Children's Services Directorate of the Local Authority, who are available to advise parents on the complaints process and may on occasion help to facilitate contact with the school.

## **Stage Two: Formal Consideration of Complaint.**

- If the complainant is dissatisfied with the way the complaint has been handled at stage one and wishes to pursue their initial complaint, the headteacher/chair of governors may delegate the task of investigating the complaint to another staff member or another governor. The headteacher/chair of governors may also, in exceptional circumstances commission an investigating officer report to be undertaken by an external consultant. The person making the complaint should be informed that an investigation is underway and that they will receive a response within 25 working days, or a letter explaining the reason for any subsequent delay.
- Once the relevant facts have been established the headteacher/chair of governors should relay the decision, and the reason for the decision, in writing to the complainant.

## **Stage Three: Complaint Heard by Governing Bodies Complaints Committee**

- If the complainant is still dissatisfied with the outcome he/she should write to the headteacher/chair of governors giving details of the complaint within ten school days of receipt of the decision letter. The chair or another nominated governor will convene a governing body complaints committee if they consider it appropriate after considering the report of the investigating officer.
- The committee will consist of a minimum of three governors with delegated powers. The committee will be appointed by the chair of governors with the chair of the committee being appointed when they meet. The complaints committee will take a decision as to any action to be taken in response to the complaint. For example they may choose to:
  - convene a hearing at which the complainant will be invited to put forward their case. This should be held within 20 working days of the decision to hold a hearing;
  - dismiss the complaint in whole or in part;
  - uphold the complaint in whole or in part;
  - recommend changes to the school's systems or procedures to ensure that problems of a similar nature do not recur.
- In reaching a decision the committee may take the advice of such bodies as they see fit, in particular the Local Authority and where appropriate the Diocesan Authority.
- If it is decided that it is appropriate to hold a hearing, the clerk of the complaints committee will inform both parties in writing of the decision of the committee within five school days.
- Any complainant can also ask the Local Authority to review the procedure. The request seeking a review must be received by the LA, addressed to the Executive Director of Children's Services, within ten school days of the date of the hearing.
- There is also recourse to the Secretary of State or, if the complaint is against action taken, or not taken by the Local Authority, it is possible for the complaint to be referred to the Local Government Ombudsman.
