Sunday 7<sup>th</sup> March 2021

Dear Boys and Girls,

Hello, how are you? Tomorrow is such an exciting day as we will all be back at school again.

It seems so long since we were all together. All the teachers and adults at Cragside are so excited that we will be seeing you very soon. I'm going to bed early tonight so I can be ready early for school tomorrow!

I know that some of you have been coming into school quite a lot over the last few months and some of you have not been in school since December. I am sure that some of you will be feeling really excited about coming back and some of you might be feeling a little worried. All the adults in school completely understand. Sometimes when I drive to school I worry a little but then when I get to school and see the faces of all the adults who work in school and the smiles of all children who are at school, all my worries seem to melt away and I know that everything is going to be OK. Tomorrow will be OK!

I guarantee 100% that you will see lots of smiles on Monday morning as we are all looking forwards to seeing **YOU** (yes, **YOU**)!

In the morning, lots of adults will be near the doors to welcome you back into school. If you've forgotten where to go or what to do, don't worry, we are all here to help you! We all want you to have the very best day on Monday.

Mrs Parker and I are going to be popping into the classrooms to say hello. We can't wait to see you and hear about all that you have been doing. I wonder if you have grown a little since we last saw you. All the classrooms will look just the same as you remember them. They are lovely and tidy, just waiting for you to come back! All the classrooms are super clean and we have lots of hand sanitiser to help keep you all super safe.

Isn't the weather lovely today...this means that we will be able to use the forest and have some fun at break time and lunch time outside this week. There are lots of exciting things happening over the next three weeks.

We will be having a special science day thinking about the creatures that live in the oceans. We will be having two non-uniform days. One for Comic Relief and also 'Chapter Two' of World Book Day so you will be able to wear your costume if you'd like to. We will also be having our Easter egg competition which is always good fun.... I've had to hide the prizes from some of the teachers as they love cream eggs so much! There are lots of things to look forward to!

Please say a huge 'thank you' to all the adults at home and school that have been helping you with teaching over the last few months. They are all superstars!

Remember, if you are not sure which door to go through, don't worry, someone will be there with a big smile to point you in the right direction. If you've forgotten where things are, don't worry, we'll show you. We are all here to help you on Monday! It is going to be great!

I saw this cartoon by Charlie Mackesy. As well as the boy, the mole, the horse and the fox there is a new character. Can you tell what kind of animal it is? All the characters are saying to this new animal...'**we are with you**'. Tomorrow, when you come to school, all the children and all the adults will say to you, '**we are with you**'. In our school we care about each other-we care about **YOU!** It will all be OK-trust me!

See you tomorrow,

**Mr Rusby, Mrs Parker and all the Adults at Cragside CE Primary School**
