

Dear parents/carers,

Eastlea breakfast club

We are often asked whether we offer a breakfast club at Eastlea as this is something which is of interest and would be helpful to many families. In response to this **we will be setting up a new breakfast club after October half term**. This will be run by staff from within school every morning from 7.30am. **The cost of the club will be £2.50 per day**. This will include breakfast and activities. The children will be offered a range of breakfast items which will help set them up for the day ahead.

In order to keep costs to a minimum you will be required to book in advance using a booking form. These will need to be completed and returned to the school office by Friday each week so that we have an idea of numbers for the following week.

Money can be paid in advance to the office or to your child's class teacher. Alternatively, you can pay on the day if required. If your child is unable to attend a booked session the payment will carry over to another day.

Please could you indicate below whether this is something you would be interested in. A booking form will be sent home with each family who express an interest in the breakfast club so that we are ready to start from Monday 5th November.

We hope you will support us on our new venture.
