

## Year 6 Art Topic- Gustav Klimt

**Week 1-** Watch the video and take notes as you go- you are going to create a leaflet about the life of Gustav Klimt. Read the fact file for extra information. You can create your leaflet on the computer or by hand. Or, if you prefer you can create a PowerPoint and give your family an Art History lesson at tea time! Try to include pictures if you can- some drawn and some cut and pasted/glued if possible.
