

Winter

What would winter be like if it was a person? Would he or she be plump and cuddly like Father Christmas, with snuggly clothes and furry boots or would he or she have eyes like glaciers and fingers like icicles? In this task I would like you to imagine winter as a person, describe it in these boxes in as much detail as you can and then draw it on a separate piece of paper!

Personality- kind, grumpy etc.

Appearance- face eyes, hair, etc.
