Grange View C E First School will provide a refresher online training session and induction for parents on how to use Google Classroom and Clasdojo as appropriate and where possible, provide personalised resources.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. Grange View C E First School would recommend that each 'school day' maintains structure.

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

In line with Grange View C E First School 'digital advice' we would encourage parents to follow the 'digital safety in Northumberland' which provides practical steps to support a healthy and balanced digital diet. All available on our dedicated COVID esafety page.

All children sign an 'Acceptable Use Policy' at school which includes e-safety rules and this applies when children are working on computers at home.
