Learning Achievement

Reception/Class 1: this week we have been creating character profiles for an alien and we have made our own aliens from salt dough. In Maths we have started to count and recognise money.

Class 2: This week the children have been writing a recount of their visit to the Birds of Prey Centre in Kielder. They have been using Open Office to type, insert photographs and create a background for their report. In R.E the children have been using concept cards to create the Big Story of the Bible, starting with God and ending with the Kingdom of God. In Maths the children have been creating their own line graphs, dividing by 10 and multiplying by 4.

Well done to all of the children in Years 5 and 6 who tried their best at the tournament on Wednesday. Mrs Makepeace was very proud of the ever improving team building skills that were clear to see on the day.
