The children in Years 5 and 6 started a newspaper club at dinner times this week with Mrs Hutchinson. This will happen every fortnight and the children will have short tasks to complete before their next editors' meeting. Their work will be sent off to the Parish magazine every month to be published. ## Learning Achievements

**Reception/Class 1:** this week we have been interviewing eyewitnesses to see if anyone had seen the spaceship crash and writing our incident reports. In Maths we continue to work on shape. We helped to make Pudsey biscuits for Children in Need day.

**Class 2:** this week the children have been creating their own predator leaflet full of interesting facts and pictures. The children used Open Office to design and create their leaflet and the finished results are certainly worth a read! In Maths the children have been dividing using the long division method, multiplying and rounding. Food chains were created in Science and the children made Pudsey biscuits in a whole school bake. Another very busy week.

For more information please look on our website and Facebook page.

## Year 2 and 3 football

Well done to the children who took part in the tournament. We were getting regular updates during the course of the afternoon and the children used their skills and positive attitude to make great progress- well done everyone!

## School visitors

Mr Shearsmith, our School Improvement Partner, visited both schools this week and was very impressed with the children's knowledge, work in books and behaviour. Well done everyone!
