Learning Achievements

Reception/Class 1: we have had a busy week getting ready for Mr Fox's party by making woodland masks and gingerbread houses. We have also made our soup and crumble for the parents.

Class 2: the children have been completing their Roman letter home and writing it up neatly for our wall display. In Maths the children have been estimating and using the short division method. The Year 3 and 4 children did themselves proud representing the school in a tag rugby festival at Corbridge. The knitted poppies are starting to come together and the children are proud of their knitting skills. The children have created spreadsheets to record their fitness times and distances to see who would be the best Roman soldier new recruit.
