Learning Achievements

Reception/Class 1: This week we have been getting ready for our royal afternoon tea with the Queen by making cakes, rock buns and sandwiches. We have been finding facts about the Queen and finding out where we live on the map.

Class 2: this week the children have created a Saxon timeline dating right back to AD 40 when, on the beach at Brancaster, a Saxon fleet of boats landed. This scene was observed by an onlooker who saw a conversation taking place between a Saxon and a monk. This was the report the children wrote in English this week. Fractions have been keeping the children occupied in Maths with part whole models, cuisenaire rods and multiplication calculations. The children have also been sketching a map of the seven Saxon kingdoms and finding out about Saxon coastal forts.
