We had a very successful Grandparents Lunch today- thoroughly enjoyed by all! Thank you to Mrs Hancock and Ms Reynolds for a delicious lunch and to the children for being so friendly and welcoming towards our guests.

The Sill

The children in Reception and Key Stage 1 had a fantastic time at The Sill on Tuesday. They listened to stories, used story props to tell their own stories and explored The Sill environment. Comments were made by members of the public about fantastic behaviour which makes us very proud! Well done!

Learning Achievements

Reception: this week the children have been creating their own story map about the Gingerbread man. In Maths we have been sequencing events in order linked to the time of day.

Class 1: we have continued to work in our Tunnel stories to make improvements to them. In Maths we have been creating and interpreting pictograms.

Both Reception and Class 1 have been working together to create their own castles in groups and we made Challah bread linked to our RE topic, Judaism.

Class 2: this week the children have been making the Jewish bread, Challah. Elias then blessed the bread before we tried it in class. In Maths the children have been finding the perimeter of rectilinear shapes, dividing decimals and understanding thousandths. Homophones have been making the children laugh in English with the help of Beano jokes and Dennis the Menace!

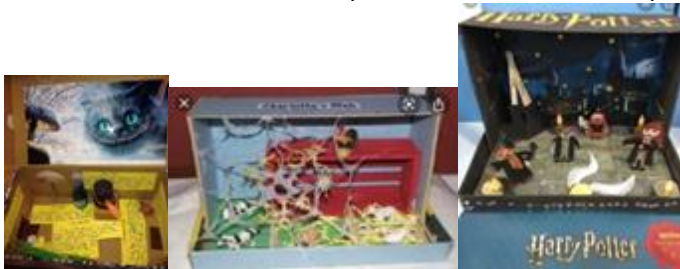

The children in class 2 need tin cans, nuts, bolts, cutlery, wire pan scrubs, springs and any other metal objects to create mini iron men next week if you have anything available.

For more information please look on our website and Facebook page.

World Book Day

On Thursday 5th March we are celebrating World Book Day. The children are welcome to dress up as their favourite book character and bring in their favourite book to share with others. We would also like the children to take part in our 'Book in a Box' competition- the winner will receive a book related goody bag!

If you would like your child to take part they will need to decorate the inside of a shoe box as a scene from their favourite book and write their name on a label on the underside of the box. They will then be displayed in school and a winner will be selected on Friday 6th March- Good luck everyone! Please see examples below for ideas.

Bikeability – Years 5 & 6 at Henshaw School - 9th – 11th March 2020
