### **Learning Achievements**

**Reception/Class 1:** This week we have been looking at different parts of plants and planting trees in the nature garden. We have also been making our own non-fiction book about a woodland animal. In Maths we have been looking at place value charts and less than and more than.

**Class 2:** the children have been creating their own commentary script to read aloud on Roman radio! They were commentating on two Roman gladiators fighting in the arena at the Colosseum. Plotting numbers on an empty number line and rounding numbers to the nearest 100, 1,000 and 10,000 has kept the children busy in Maths this week. Baking cakes and biscuits for the Macmillan coffee afternoon has enabled the children to work together as a team which was lovely to see. We have also dug our potatoes up and now have a bag full for Mrs Hancock to cook for dinner!

For more information please look on our website and Facebook page.

### **Macmillan Coffee Afternoon**

Thank you very much for attending this event for such a worthy cause.  
The total raised will be announced next week.

### **Stay and Share session**

You are welcome to join us for a 'Stay and Share' session in school on Friday 12<sup>th</sup> October, 9.30-10.30am.

### **Clubs**

There will be no Netball Club for the next 2 Thursdays (27<sup>th</sup> September & 4<sup>th</sup> October) as Mrs Makepeace is attending courses.

We have just had confirmation that a rugby coach will be coming to run an after school club for Key Stage 1 at Henshaw. This will be on Tuesdays commencing 2<sup>nd</sup> October until half term from 3.30 – 4.30 pm. Please return the permission slip if your child would like to attend.

### **Make Our Money Grow!**

The school has received a cheque from Virgin Money - £5 for each child in Year 5 & 6. The idea is that they have to make this money grow by buying materials which will enable them to make a product which they can then sell. All Virgin Money are asking is for their £5 to be returned to them; any profit the children make they can either donate to charity or give the money to school to buy resources for them to use in class or outside. Mrs Fairless will manage the money on your child's behalf and help buy the things they need for their business idea. The children will be participating in the programme during school and can either work as a group, individually or as a pair to invest their money and make it grow. Your child will be coming home today with a pack which will explain more.

### **Photos**

The Hexham Courant will be coming to take photos of our Reception child on 4<sup>th</sup> October and Mirror Image will be coming on 11<sup>th</sup> October for all the children. If you would like your child to be photographed with siblings not at this school please bring them for 8.30am

Yours,

Sarah Hutchinson  
Executive Headteacher
