### **Learning Achievements**

**Reception/Class 1:** This week we have been getting ready for our Teddy Bear's picnic and experimenting with mixing colours to create our friendship tree. We have also been looking at representing numbers in different ways and how to make equal groups.

**Class 2:** this week the children have been learning all about the effect smoking has on your health. The children have been creating slogans to use in their anti-smoking adverts which they created using a program called Comic Life. In Maths the children have been identifying and converting mixed numbers to improper fractions and vice versa, while the lower KS2 children have been multiplying by 10. The children experimented with Brusho paints in art creating abstract paintings using different shades of red.

For more information please look on our website and Facebook page.

### **Hallie**

Hallie has really enjoyed coming back into school this week to listen to readers, practice spellings and hear some new jokes!

### **Year 3/ 4 Gymnastics**

Well done to our super gymnasts! They represented the Federation brilliantly and performed their routine to the best of their ability.

### **Community Lunch**

A reminder that members of the community are invited to join the children for lunch on Friday, 25<sup>th</sup> January at a cost of £5. If you know of anyone who would like to attend please ask them to contact school by next Monday.

Yours,

Sarah Hutchinson
