Plastic Free July kicked off on July 1<sup>st</sup>. There are a number of ways to get involved! You can visit [www.plasticfreejuly.org](http://www.plasticfreejuly.org) and have a go at some of the following activities:

1. Understand your current use of single-use plastic and what you can choose to refuse, by taking this [Pesky Plastics Quiz](#)
2. Check out the [Plastic Free July website](#) for great resources, ideas and solutions for conquering the challenge
3. Spread the message amongst your friends, family, and colleagues, and encourage them to join the [Plastic Free July challenge](#)
