Learning Achievements

Reception Class – The children have enjoyed a visit from a Veterinary Nurse and a Practice Nurse this week, which links in with their topic 'People who help us'. A BIG thank you to Mrs Calvert & Mrs Slaney for coming in to talk to the children.

Key Stage 1 – This week the children have been working on equal groups and counting in maths. In guided reading we have been learning about Goldilocks and the 3 bears and comparing different versions.

Key Stage 2 – have been learning about the effects of smoking on our bodies. In Maths, we have been measuring distances in mm, cm & Km in real life. We have also been finding fractions in the environment.

The children thoroughly enjoyed having lunch and spending time with members of the community today- we think they enjoyed it too!
