Stars of the Week

Class 1 - Charlotte P for trying hard with Positional Language in her Maths work this week.

Class 2 - Evie D for her consistent, positive attitude to learning and a super recount of the Nativity story in RE.

Class 3 - Alfie for working independently in Maths.

Class 4 – Grayce for her great work and enthusiastic attitude to learning.

Mrs Hutchinson's Head Teacher award - Tabitha- for always, smiling, being kind and polite to others and for using lovely manners at lunchtime. Well done!

Children in Need – 13.11.20

We had a Super Spotty day today for Children in Need!

Thank you all for your donations, we raised a fantastic **£100.00** between our School and Henshaw Nursery. Well done everyone!

Covid Update

We would like to make you aware that our Covid Risk Assessment has been updated and is available on our School website.

School Path - One Way System

Please could we remind parents to use the School path's 'one way system' during drop off/pick up times.

Thank you

Fresh Fruit/Yoghurt	Fresh Fruit/Yoghurt	Fresh Fruit/Yoghurt	Fresh Fruit/Yoghurt	Fresh Fruit/Yoghurt

Learning Achievements

Class 1 - This week we have continued to enjoy the story of 'Mr Gumpy's Outing'. We created Mr Gumpy's boat from a huge box so that we could play in it. The boat turned into an aeroplane later in the week whilst we were playing in our 'Travel Agents' role play area. In Maths we have been looking at positional language. We enjoyed a local walk on Thursday and did a vehicle survey. We saw eight different types of vehicles. We learnt about road safety before we went out. We had great fun raising some money for Children in Need and we loved looking at each other's spotty outfits! We did lots of great activities including watching a story to explain what Children in Need is, making Pudsey masks, doing yoga with Pudsey, doing PE with Joe Wicks and decorating Pudsey biscuits.

Class 2 – This week we have been reading the book 'Katie in London' and discussing some of the landmarks in London. In Maths, Year 1 have been practising subtraction and counting back on the number line; Year 2 have been subtracting two digit numbers. In Science, we have explored the properties of materials and discussed the uses of different materials.

Class 3 – In Class 3 we have been studying labels on bottles of everyday materials. We then designed and made our own label for Alice's 'Drink Me' bottle- warning of the dangers. In Maths, we have been working on estimation, near numbers and using the inverse. In forest schools, we created some tree faces for our winter trees and in Science we have been looking at liquids and their viscosity. In PSHE, we have been thinking about what makes a family and the responsibilities of family units. We have continued with our class texts this week of 'Alice in Wonderland' and 'The Witches'.

Class 4 - This week we have been developing our understanding of the different art movements, focusing especially on Impressionism. We have had another 'gallery trip' to view some of the most famous Impressionist paintings and discussed our favourite paintings and artists as a class. We then used this to write a short narrative based upon our favourite Impressionist painting. In Maths, we have been using our 'Flashback 4' to challenge our learning, fractions and factors this week. In forest school, we enjoyed the experience of painting outside.

Social media

Please can we politely remind parents not to post comments that may be slanderous on Facebook, Twitter or any other social media platform, which refer to our school or our school staff.

By doing so it can have a negative effect on our school, and our staff work very hard to support and nurture your children on a daily basis.

We understand it is difficult at the moment as we cannot conduct face to face meetings etc. but please contact your child's class teacher if you have any grievances rather than using social media.

Thank you for your co-operation.

Yours

Mrs Sarah Hutchinson - Executive Head Teacher
