

Welcome back! Summer Term 2 2018

Welcome back after the half term break! We hope you've all had a great week - the children certainly have lots of adventures to share with us.

This term's topic is all about the **seaside** and there will also be lots of exploring to do in our forest area.

We will be doing a lot of sensory play with sand, shells, pebbles and foam as well as a lot of seaside crafts.

In preschool we are led by the children's interests, so a lot of the things we do aren't pre-planned - we encourage the best learning through play for all our children.

We will also be learning about sun safety and would please ask that parents continue to apply and send a labelled bottle of suncream as well as a sun hat and a bottle of water. Also spare clothes are an essential as the children often get wet and dirty playing outside.

There will be a beach party later in the term as well as a walk to Alnmouth beach and sports day to enjoy. Dates to follow.

This is the last term in preschool for a lot of our children before moving on to reception in September...We'll make it one to remember!

Many thanks
Jillian/Karen/Louise
