How to work out the cost: For an individual child, each club is full price. In addition, for each full price club, you get 1 club for a sibling at half price (the cheaper club being the half price!)

For example, child A is doing cookery (full price) and Lego (full price), total of £33. Child A is doing hockey (full price), sibling B is doing cookery (half price), total of £25.50. Child A is doing hockey (full price), sibling B is doing cookery (half price), sibling C is doing Lego (full price), total of £43.50.

Please return the attached sheet, with payment, to the school office by start of school on Wednesday 7th February. **If clubs are oversubscribed, priority will be given to pupils who have not done a particular club before and then names will be drawn from a hat.**

We will notify you of your child's place(s) by the end of the school day on Friday 9th February. Any queries, please contact the school office.

Kind regards,

Amanda Solomon
