

Hipsburn Primary School – Primary PE Funding 2016/17

Under the Primary PE & Sport funding initiative, we will receive £8370 to improve PE and sport in our school. The impact of the funding must be considered in terms of:

- delivery of high quality PE lessons
- participation and success in competitive school sport
- a broader range of activities on offer
- personal health and well-being of pupils
- promoting pupil activity through involvement in organised games at breaks and lunchtime.
- improved attitudes and behaviour towards learning

We have used a mixture of reflections and information from 2015-2016 to inform our plan for the new budget. These include the school development plan alongside the feedback from parents in their end of school year review and informal feedback from pupils and staff after each of the activities.

Therefore we propose to spend this money in the following ways:

- Employing a new specialist PE teacher to work alongside the PE subject leader and class teachers to develop high quality PE lessons, inter and intra school competitions as well as to run lunchtime and after school sports clubs in a range of sports including basketball, hockey, gymnastics, fun fitness, rounders, tennis and athletics.

The PE specialist will work with predominantly the older children (Year 2 to year 5) but also have sessions with Pre-school, Reception and Year 1 to support and develop the planning and resourcing for the delivery of the PE curriculum with their class teachers.

The PE teacher will also support the new mini-leaders to develop playtimes and lunch times for all the children.

= £6000

In addition to the specialist PE teacher there will also be:

- Specialist Invasion Games / Ball Skills and Rugby coaching for Year 1 - Year 4 Autumn '16 and Spring '17 = £700
- Specialist Tennis coaching for Year 2 - Year 4 Summer '16 = £440
- Bicycle workshops for whole school development Summer '16 = £150
- Skipping Workshop for whole school development and inters-school festival Summer '16 and Spring '17 = £550
- Purchase of PE / Sports equipment = £500

We regularly monitor the impact of our spending and may adjust the activities we provide accordingly.
