

Welcome back! Summer Term 1 2018

Welcome back after the Easter break, we hope you've had a lovely holiday. We are excited to get started this term and our topic is fairy stories and nursery rhymes. We shall be covering a few traditional stories including *Goldilocks* and *The Three Bears* and *Little Red Riding Hood*.

Through play we incorporate simple maths and literacy as well as lots of crafts and physical development.

We'll also be spending a lot of time outside every day in our forest so could we please ask parents to supply labelled spare clothes and wellies. If you could also supply your child with a named water bottle this would be a big help.

As the weather hopefully becomes warmer, can you please ensure your child has sun cream on before they come to school and if possible leave a labelled bottle in their drawer. Unfortunately children are not allowed to share cream so it is very important that they have their own.

Your child's journal is regularly available to take home so please feel free to do so; it's always nice to hear your comments as you follow their journey and progress through preschool.

We will now be running full day sessions from Monday-Friday and would ask parents to try to be prompt dropping off and collecting their children. We do realise this isn't always possible so any late arrivals should sign in through main school.

Any questions or concerns please don't hesitate to ask or arrange a convenient time to chat to your child's keyworker.

Many thanks
Jillian/Karen/Louise
