

Yrs. 5 and 6 girls football tournament

The football tournament part 1

On the 22nd of October 2018 all girls got changed, had an early lunch and jumped on the coach with Shilbottle school to go to Longhoughton for a football tournament. We arrived at the football field about one O'clock and started to warm up. The first game we played was against Swans field school sadly we lost. Next, we played against Whittingham school and they won but we kept our hopes up. Then we played against St Michel's school and we lost again but all of that changed...

The football tournament part 2

After playing three games we managed to have a break to get more energy for the next game. The next school was Shilbottle bears we finally scored and won. (hurray) that was the first time we won out of the whole tournament we were all jumping for joy. WE WON!!! After winning for the first time we had a drink of water then back on the pitch. The next school was Longhoughton school and scored 2-0 I was so happy for our team. Then we all watched other teams play.

Next, we were against Berwick lions again we won for the third time in a row. Now we only had four more teams to play against. What do you think the scores will be?...

The football tournament part 3

Then we were against Shilbottle sharks we scored two nil again. The second last team to beat was called small school which Poppy and Anna were in, we didn't get any scores 😞 but they didn't ether. The last match that counted was us against team Berwick pandas. The pressure was strong this

was the last and only match left what was going to happen...
We Won we got one score and they go none. We were all so
happy and jumping for joy. All of us girls really enjoyed today.
Hurray for Hipsburn yrs. 5 and 6 girls.
