

Governor Profile

Name: Lorraine Watson

Term of Governance: 6th October 2014 – 5th October 2020

Background

I have lived in the village of Linton for approximately 38 years having originally moved here with my parents then setting up my own home once my Children arrived.

I am a very busy working mum of two grown up children. I am a qualified dental nurse who has been lucky enough to have worked with the same team for almost 25 years.

In my free time I love to read, walk my dogs and spend time with family and friends.

I have been a governor at Linton School for approximately 12 years, in firstly the capacity of Parent Governor followed by my current position of Co-opted Governor.

Reason for becoming a Governor and Supporting our School:

I first became a governor at Linton School when my two children attended. I was keen to learn more about my children's education and support the school in delivering the best possible education.

Although my children no longer attend Linton Primary School I am keen to support the school and staff in their continuing progress. I believe in the inclusive approach the school shows to each and every child and respect the teachers and staff for the fantastic ethos they uphold.

I am proud to be part of Linton Primary School.
