

RE Ambassadors' Newsletter 3 Spring 2019

Dear Parents

In our last newsletter we told you about the general charities, and our two specific charities, that we are supporting this academic year: 'The Great North Air Ambulance' and 'Dogs Trust'

We would like to invite the children to do a sponsored run/walk (weather dependent) around the Village on Wednesday 27th February, all children may wear their PE Kit on this day. We will make sure that there are grown-ups all around the route to keep everyone safe, as well as a 'pace setter' in the front so we don't burn ourselves out too quickly! Your children can choose to complete one to three laps!

We have attached a sponsorship form to hopefully raise money towards these two worthy causes. If it is a bit tricky for you to gather sponsors, perhaps an alternative could be a donation for wearing non-uniform.

Thank you

After the run/walk the children from the RE Committee will also be selling a small snack and a drink for the suggested donation of £1, so please let us know if you can volunteer to bake for us!
