

RE Ambassadors' Newsletter 10 Summer 2021

Dear Parents

We are writing to share with you a little bit of information about what has been happening in school with RE.

In Early Years - the children have been learning about Buddhism and the festival of Wesak and this half term they are reading some of the stories from the Bible.

In Year 1 - they have been learning about Islam and this half term they are comparing the Christian places of worship in our own Village.

In Year 2/3 - last half term they have been learning about the Kingdom of God and Pentecost and this half term they are learning about Sikhism

In Year 4 - They have been learning about Viking Gods and they are learning about lots of different stories that can be found in the Bible. They are exploring 'The Action Bible.'

Our Charity Event

Our Charity event will be in aid of the Great North Air Ambulance Service. We are going to do a FUN run on Thursday 1st July, in our own class bubbles throughout the school day. It would be great if you could send in a donation or ask your family and friends for sponsorship. Did you know in 2020, the service cost £5.3million and they were called out to emergencies 1262 times in 2020.

You can donate via Just Giving using the following link:
<https://www.justgiving.com/fundraising-edit/joanne-campbell23>
 or bring in a donation on the day, to go into a fundraising bucket!

This year our Year 4s are attending an online special church service for children transitioning to their new schools, which is being run by The Dioceses of Newcastle and Durham.

As it is the end of our time here as an RE Committee, we are looking forward to recruiting some new Year 4 Ambassadors and a Committee to continue our work. If your child is interested in applying please let Mrs McEwan know in the office
longhorsleyadmin@fedlongwhaltschools.uk and she will send you our application form.

The special skills we think you need are:

- sensible and kind
- good at listening
- good memory skills
- have good ideas
- be quite organised
- listen to other people's ideas and allow them to have their own opinions, you don't always have to agree but you must listen
- be confident
- be prepared to give up your playtime every now and again
- need to know about RE
- understand what RE is

We are really excited and looking forward to our Fun Run, to help people who are in bad circumstances and need our help because they are injured.

We would be really pleased to listen to candidates' ideas to see how they think they can improve the school's RE Team.

Best wishes from
 Gabrielle, Charlotte B, Charlotte W,
 Lucinda, Gracie, Henry, Charlie Ru,
 and Emily
