**Autumn Term Consultation Meetings (Reception to Year 6)**

At this time of year we would normally be inviting parents into school to meet with their child(ren)'s class teacher to discuss how the children have settled into the new school year, how they are progressing with their work and areas where the children need a little bit more support. Due to the current restrictions we will not be holding face to face meetings this term. The teachers have written a short report outlining these areas. The children will be bringing this report home on Thursday 22<sup>nd</sup> October.

Hopefully the report is self explanatory but should you have any questions please contact the school office, after half term, to arrange a short telephone conversation with the class teacher.
