

"A small school, with big ambitions!"

Newsletter – 15th March 2019

Cricket Roadshows

Miss Foster has arranged for the cricket roadshow to attend school on Friday 22nd March, this is in school time and for pupils in Year 1 to 4.

Grandparent's Afternoon Tea

There was a great turnout for afternoon tea this week. School Council were fantastic in organising the event and serving refreshments. Big thanks to Dot for making all the scones, it was a huge help. Many thanks to everyone who was able to attend, the feedback has been lovely and we are very proud of our School Council. The event raised over £140, which the school council are looking to spend on playground improvements.

PTA School Coasters

The coasters are now in school (they look amazing) look out for them coming home. This has raised over £100, many thanks to everyone who supported this.

New member of staff

We are delighted to welcome Mrs Fuller to our team in Nursery.

School Shoes

A reminder that school shoes should be sensible, black shoes. We understand that this is not always possible when shoes become too small but we do appreciate your support with this.

St George's Mickley Sunday 17th March 4.30 pm:

St George's Mickley - re-opening service followed by tea party at Mickley Club. Mr Hudson and several pupils, along with their families, will be attending the service and providing a contribution. The children will be talking about the work they have carried out in school involving bat boxes and tiles as well as show casing some of their art work inspired by the church.

Litter Pick

All classes were involved in the litter pick on 6th March and they thoroughly enjoyed helping their local community remain clean and tidy. We have had feedback from members of the general public, not linked to school, praising our pupils for their hard work.

PTA Easter Event

The PTA will be holding their Easter event on Monday 1st April after school. Further information will follow next week.
