

"A small school, with big ambitions!"

Newsletter – 17th July 2020

End of Year Message

As we come to the end of another busy year, it is fair to say it wasn't quite what we had planned for.

On behalf of the whole school I would like to thank everyone for their support and patience over the year. All our pupils, from the very youngest in Nursery to our grown up Year 4's have been truly amazing. They have all dealt with the changes and challenges with incredible resilience. We know that September will be another challenge, not least moving classes or year groups, but I am sure the start of the year will be another positive experience. In the meantime, if you have any queries or concerns related to school, please do email the office, we will be checking and someone will be in touch.

We hope you all have a lovely summer, we look forward to seeing you all in school soon.

Nursery Fundraiser

On 22nd July, the staff in the Nursery are planning a 12 mile fundraising walk dressed as bees! We are aiming to equip the Nursery with a fantastic new home corner as this is an area which is extremely popular with the children. Any donations via our Just Giving page would be very much appreciated!

<https://www.justgiving.com/crowdfunding/mickley-schoolnursery>

We shall be sharing photos of the walk and our bee costumes with you on the website and in September, pictures of our fabulous new home corner! Thank you so much for your support!

Mrs Grevett, Miss Allison, Mrs Fuller & Mrs Bell 

Goodbye Year 4

This week we say goodbye to our amazing Year 4s who have made a huge contribution to school over the years. We would like to wish Annie, Ava, Charlotte, Cooper, Emily, Emma, Evie, Grace, Jack, Molly, Oliver, Oliver, Oscar, Owen, Sabrina, Sophie, Sophie and Summer good luck for starting middle school. We will really miss you at Mickley but we know you are all ready for Year 5!

RSE Consultation

The consultation period for the Relationships and Sex Education Policy ended on Tuesday 14th July. As there were no queries from parents and the policy was agreed by Governors, the policy has been adopted and is available to view on the school website. Our curriculum has been amended from September to include the teaching requirements from the statutory guidance and will further enhance the PSCE offer in school. Full details can be found on the website curriculum page.

Wrap Around Care

Current guidance suggests that we will be able to resume Wrap Around Care in September. Timings will remain the same but we may use the school hall on some occasions. We will send out further information but it would be best to book via the school office and not School Comms for 2nd September. **Due to the additional planning requirements caused by COVID19 we will not be able to accept any pupils into Wrap Around Care who are not booked in advance (at least the day before).**
