PTA

The PTA would like to thank everyone who came along to support the shopping night at the Glenside this week. Money is still being counted but we raised over £400! The next PTA event is the Christmas film night and lights switch on, being held the 3rd December. We are still collecting donations for the hamper raffle; these can be sent in with children or dropped at the office.

Nursery and People's Kitchen

We would like to take part in an initiative with the People's Kitchen this Christmas. People's Kitchen is a non-profit organisation playing a unique role providing support for homeless and vulnerable people.

We are asking the whole school for donations of items such as toothpaste, tissues, wet wipes, shampoo, sweets and chocolates. These are items suggested by Peoples kitchen. Nursery children will wrap these items as Christmas presents and then the items will be delivered to People's Kitchen during the last few days of term.

We will of course have all the usual fun of Christmas but there will be a message in there too.

Please send any donations in to Nursery or the school office.

Cragside Ford Castle Visit

Children in Cragside have the opportunity to go to Ford Castle for a residential visit on 8th to 10th May 2019. Please pay your £40 deposit on School Gateway by Friday 30th November to confirm your child's participation. This is an exciting opportunity for children to take part in activities not normally available in school.

Children In Need

We would like to say a huge thank you for all the pennies that were sent into school in order for the children to complete the Pudsey Penny Trail in the playground, this along with non-school uniform donations raised a total of £150 for Children in Need

School Website

This has definitely been another very busy term in which the children have had lots of opportunities to participate in a variety of exciting activities and visitor workshop. These include sporting events, a visit from an Olympic athlete, Children in Need activities, a visit from the fire service including a fire engine and also a recycle workshop. We enjoy capturing these events of the children immersed in alternative activities and would like to invite parents and carers to take a look at the photographs that have been added to the school website in the galleries section.
