PTA AGM - 13th September @ 6pm

The PTA are holding their AGM on Thursday 13th September at 6pm in the main school building. Everyone is welcome to attend, and we look forward to seeing some new faces and hearing any ideas you may have on fundraising events for the coming year.

Kerala Flood Appeal

We have been asked to share this flood appeal by one of our families who have relatives affected in the region, please see the attached leaflet.

Roald Dahl Day

September 13th will be Roald Dahl Day and across school we will be completing work based on this popular author's work.

Defibrillator

We have been given the opportunity to purchase a defibrillator. By purchasing the defibrillator, there will be a donation of a cabinet that will allow this to be stored outside. This would allow the defibrillator to be accessed by anyone in the community in the event of a "999" call and it will be a resource for the whole community. The School Council have indicated an interest in raising the funds for this. Please watch out for their fund raising ideas for this important piece of equipment.

Pathways mission

Today we welcomed Cumbrian visitors into school. They work in churches in Kendal and were visiting the Corbridge Deanery as part of their inter-church working. As part of this project, Reverend Rob Saner-Haigh and a colleague visited school to talk about their church. The children had a chance to ask questions and learn more about the Christian Church as part of our RE curriculum.
