

"A small school, with big ambitions!"

Newsletter – 23rd February 2018

World Book Day

We will be celebrating World Book Day on Friday 2nd March. Children will be able to choose to dress up as a character from their favourite book or come in non-uniform. As usual there will be a series of book themed activities, which will include a range of popular authors. This year we are also running a reading challenge, details are being sent home with your child this afternoon.

Bake Sale

The School Council have asked to organise a sale of cakes and buns on Thursday 1st March. Our School Councillors will be responsible for advertising and running the cake stall. They have asked that all money raised should go towards purchasing additional science equipment for school.

Toys In School

A reminder that children should not bring toys or special items from home into school unless this has been agreed in advance with the class teacher.

Gas Main Repairs

I have spoken to Customer Services at Northern Gas with regard to the roadworks outside of school. I have asked them to do all they can to allow parents to drop off and collect children outside school. I am sure you will appreciate that Northern Gas have the safety and welfare of their workforce to consider. I will consider to monitor the situation and liaise with Northern Gas should any issues arise. I would ask that parents continue to be patient and responsible road users whether parking outside school or in the village. If you have any further concerns or comments, please contact the school office.

Parent Consultations

Parent consultations will take place w/b 5th March. Sessions have now been allocated and a confirmation slip will be in your child's book bag.

PTA

The next meeting for the PTA is on March 6th at 6pm in the main school building. The meeting is open to all parents/carers linked to school who would like to support the children through organising whole school events and raising vital funds for school. New members are most welcome, please see a member of staff for more details on how to join the PTA. (Please note you do not have to be a member to attend this or any other meetings.) The PTA are very successful at raising money for activities across school and make a huge difference to the opportunities school are able to offer all pupils.

Book Look

Thank you to everyone who attended the "book look" on Tuesday afternoon. We were delighted to share our fantastic work.
