Headteacher: Mrs Clare Scott

Dear Parents,

We have recently purchased 'MyOn'. This is a digital library of books that the children in year 2,3,4,5 and 6 can now access online from home.

MyOn works alongside 'Accelerated Reader' therefore your child can access books that are at their individual reading level once they have logged in with their Accelerated Reader login. They can also choose books that are of particular interest to them and name their preferences. They can access audio, a dictionary and a variety of drawing tools to add notes. There is also a journal which helps them to save any notes they have made on a particular book.

As teachers, we can assign projects to the children, or they can 'free-read' books of their choice and interest. MyOn gives access to a quiz on each book and your child, you and the teachers at school can monitor their progress throughout.

Year 2 children, who did not already have a login, will be given one and we will send this information out to you. Please note, Year 6 children who were not on 'Accelerated Reader' will be able to access MyOn using their Year 5 login. We will send these out to you for those that have forgotten them! The data stored will be from Year 5 so therefore your child's reading age will have no doubt improved!

Reception and Year 1 children are not yet registered on MyOn but this is something to look forward to when in Year 2. Please continue to access your daily Read/Write lessons (link on our website).

The staff at Northburn hope that you all continue to stay safe and well.

Kind regards,  
Jill Boden

Northumberland  
County Council
