Dear Parents

I hope you and your families are all well. The staff would like to pass on their thanks for the many messages of support that you have conveyed via Tapestry, Twitter, email or phone. Please remember, if you have any concerns please call us. The office continues to be staffed and we are very happy to help where we can. It is also nice to catch up with our families. You may get a call from your child's teacher. We are not checking up on you! We will just be making sure that families are able to access the online learning offered. We still have a few handwriting packs for children in Year 1 and Year 2 that are available for collection.

I know many of you will have questions following the Prime Minister's announcement last night. Like all schools, I have no additional information to share and most likely share your concerns. The safety of your children, families and our staff will be central to any plans for partial opening that maybe developed over the coming weeks. I await further clarification and guidance. I will update you when I am in a position to do so.

Kind regards

Clare Scott
