

French – Key Stage 2

Bonjour!

I hope you are all OK. I've planned some French activities for you to do over the next few weeks. We will be doing some revision of what we have already learnt, some story reading and will also be learning some new French. Just have fun and enjoy the activities.

As you know, we have one lesson of French each week so these activities should last no longer than 1 hour each. I would love to see what you have been doing so please share your work on Seesaw. If you have any queries you can email me: admin@otterburn.northumberland.sch.uk

There is a great app called Duolingo which you can download if your adult agrees. You could go on this for 5 minutes a day. It's a free app and is great fun.

Ask an adult to help you set up a profile. Make sure you select French as the language!

Stay safe and have fun. Best regards Mrs Hulbert

Summer 2

Week 1	We have learnt numbers to 21. Can you remember them? Watch the BBC Bitesize – KS1 - French – numbers class clip video of the French children playing hopscotch. Have a go at completing the 'Combien de chiens' (How many dogs) worksheet and the numbers to 20 crossword.
Week 2	As we are not in school in England I thought we could go to see what school is like in France! Have a look on BBC Bitesize – KS2 – French – class clips – At school. There are 3 videos. Today watch the first video ' Not Again Farley – School (French) '. What words can you recognise? You will hear some of the numbers you know when Farley talks about the time. Can you work out what some of the subjects are called? Soda's translating hat will help you! If you like you can also watch the video ' A Primary School in Marseille ' to watch what a day is like in a French school.
Week 3	Today we'll look at the daily routine of some children at school in France. Watch the BBC Bitesize clip ' Daily school routines in French ' where Papo, the parrot, visits a French school. Can you write a list of words that Papo learns? You will already know some of them eg Je m'appelle = My name is. There will be some new words too eg en range = line up.

Summer 2

Week 1	<p>Today we're going to listen to a story in French. It's the story of The Little Red Hen – La Petite Poule Rousse. If you don't know the story in English then it might be a good idea to read it as knowing the story will help you understand the French. You will find the story at School 360. Log in to your school 360. Go to Resources – Modern Languages – The Little Red Hen. You can listen to it in French and Spanish so you'll need to click on La Petite Poule Rousse as we want to listen to it in French! Press on 'Joue' to play the story, 'Pause' to pause it and 'Debut' will take you back to the beginning of the story.</p> <p>Once you have listened to the story use the story script from your pack to see if you can find out what the animals in the story are called. Write the English above the French words.</p>
Week 2	<p>Listen to the story of La Petite Poule Rousse again today. Can you order the story cards (in your pack) correctly? What other words from the story can you hear and read on the story cards? Remember, listen to the words carefully and don't sound them out as they are often pronounced differently to the way they are written.</p>
Week 3	<p>Listen to the story of La Petite Poule Rousse again. Can you practise retelling the story using some of the French words? Once you have practised you could ask someone to video you retelling the story and send it to me. I'd love to hear it.</p>
Week 4	<p>Start Food and Drink topic – bbc bitesize</p>
Week 5	
Week 6	
Week 7
