Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at anytime to see if there is anything you need to pay for.

You will be sent a password at the beginning of next week in order that you can access your SchoolMoney account.

To log into SchoolMoney, visit the website www.eduspot.co.uk and click on the sign in button in the top right-hand corner. In the drop down, select the SchoolMoney Parent Login option and this will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you,

We appreciate your cooperation in the early stages of rolling this system out to you.
