## Weekly News

Bulletin 01/12/2017

### Christmas Performances

Requests for programmes for our Christmas Performances are coming in nicely. We will be sending the second letter out on Monday so that people can request up to a further 2 programmes.

### Winter Conditions -snow/ice

Please make sure that we have your most up to date contact details as parents in case we need to let you know about closures. Thank you for your help with this matter.

### Christmas Fair

We are all looking forward to the Christmas Fair on Friday, 8th December. Thank you to everyone who brought in chocolate for our tombola in exchange for a non-uniform day.

### Northumbrian Water

We were delighted to welcome representatives from Northumbrian Water into school on Wednesday. They spent the morning with Year 4 talking about clean water and then waste water and how this can be cleaned by using renewable energy so that it can go into the water system once again.

They then spent the afternoon with Year 2 making bath bombs! Some of these will be on sale at the Christmas Fair.

**NORTHUMBRIAN WATER** *living water*

### Cats Protection League

Reception Class had a visit from the Cats Protection League on Thursday. They learned all about the charity and how to look after cats. The lady said Reception were 'the best Reception class she had ever visited!' - well done Reception and Miss Bough!

### Flu Vaccinations

You should have received letters about the flu vaccinations being held here in school next Wednesday (06/12/17). (Y4's letters are out tonight, Friday.) Please return the permission slips as soon as possible.
