Bulletin 23/11/2018

### Reception Vet Visit

This week Reception had a visit from Dr Thomas, grandfather of Martha and Zadie, who is a vet. They had a lovely time discussing pets, handling a guinea pig, using a stethoscope to listen to the heartbeat and dressing up as vets.

Dr Thomas will appear on CBBC tonight at 5.20pm.

Thank you very much Dr Thomas.

### Non-Uniform Day—Friday 30th November

We are once again having a non-uniform day next Friday, when the children can come to school in their ordinary clothes in return for a chocolate bar/box of chocolates to the value of £1 or more for our very popular Chocolate Tombola at the Christmas Fair (Friday 7th December).

### Eco-Council

The Eco-Council have been invited to visit the Ovingham Community Orchard today to assist in planting some new trees. We are sure they will have a lovely time despite the miserable weather!

### Flu Immunisation

The flu immunisation sessions went well this week. If your child missed these and you would like to arrange something you can contact the Immunisation Team on 0191 643 2866.

### Christmas Performances

Parents coming into school will have noticed all the arrangements for our Christmas performances—the stage is out, costumes are being prepared and the children are practising their songs and lines. Requests for programmes will be sent out shortly. Please be aware that due to the large number of KS1 children, programmes will be severely restricted for this performance.
