11th January 2019

Sickness/Diarrhoea

We have had several children with sickness/diarrhoea this week and returning to school the very next day. Consequently we can expect more children to go down with the virus.

We follow Health Protection Agency Guidelines which say children must stay at home at least **48 hours** after the last time they are sick or go to the toilet in the case of diarrhoea.

Please help us to eradicate this virus by keeping your children at home if they are ill.

Kids Club

Can we please remind you that you must complete the sheet outside the office each morning if your child is staying to Kids Club.

This is primarily so we have staff staying to supervise the clubs!

Don't rely on the children informing us as they forget!

PE Kits

Another reminder that every child must have a PE kit in school every day.
