

Red Row First School Newsletter

25th January 2019

Early Years

During the winter months we have lots of wet windy and cold weather. However, the bad weather does not stop us from playing outside and of course that means we get wet and often dirty!.

For this reason we ask that everybody has a change of clothes in school at all times particularly joggers, undies, socks etc.

Can we also ask that if your child is changed to come home in clothes borrowed from school that you return them please. We used to have a good supply but now we have no spare clothes at all.

Therefore if anyone has spare clothes they no longer need/fit we would be very grateful for any donations!

Telephones

A reminder that our telephone line 01670 760282 is not working. Please use the alternative number 01670 761617 until our new system is installed. You will not be able to leave a message but the line works!

Headlice

Please continue to check your child's hair every night. We have had a couple of cases reported lately and we really need to get on top of this straight away.

Thank you for your co-operation
