

16<sup>th</sup> January 2018

Dear Parent/Carer,

Due to increased costs in our kitchen the Governors, after careful consideration, have had to increase the cost of a school meal. The cost of a meal will go up from £2.00 per day to £2.20 per day as from Monday 19<sup>th</sup> February 2018, this is in line with other schools in the area and less than some schools. This does not affect children who are entitled to income based free school meals or government funded free school meals.

Yours sincerely,  
Mr O Flitcroft  
Headteacher.
