

# Helping Farmer Jake

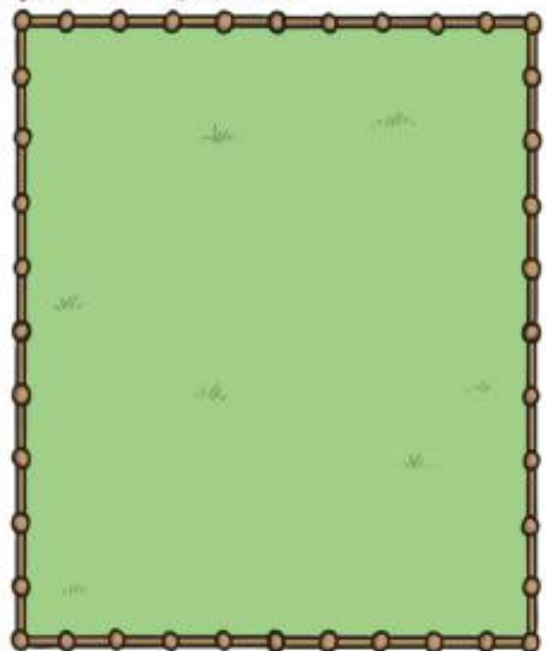

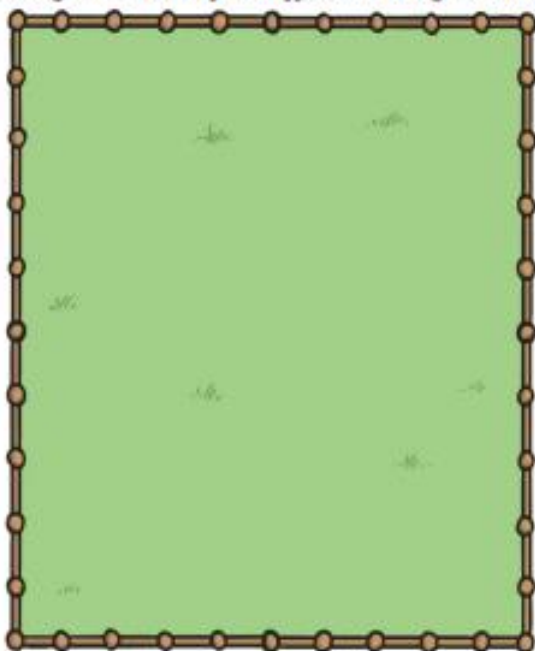

To find a quarter of a shape.

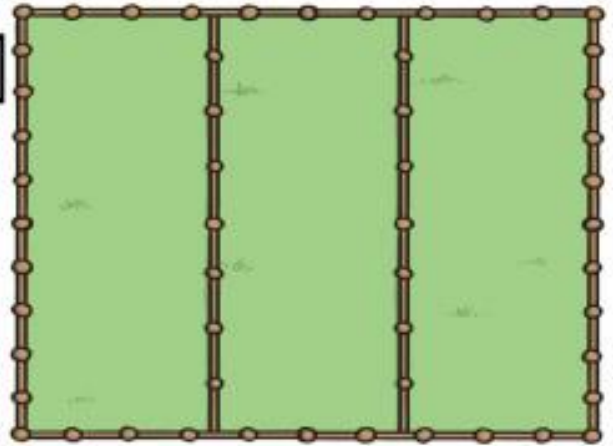

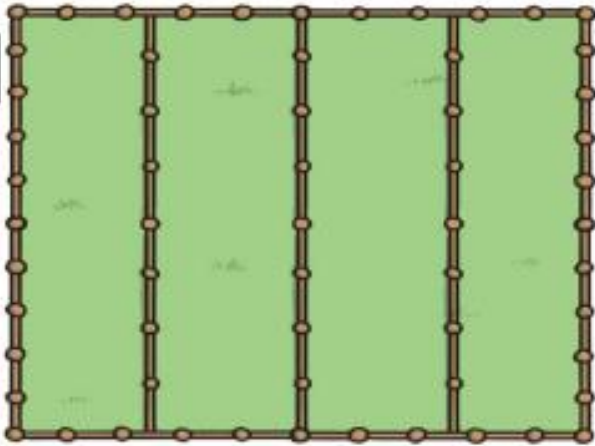

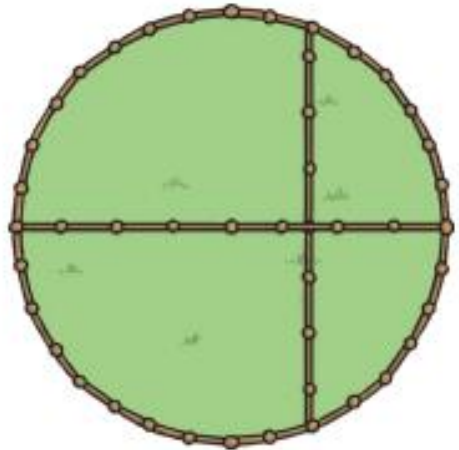

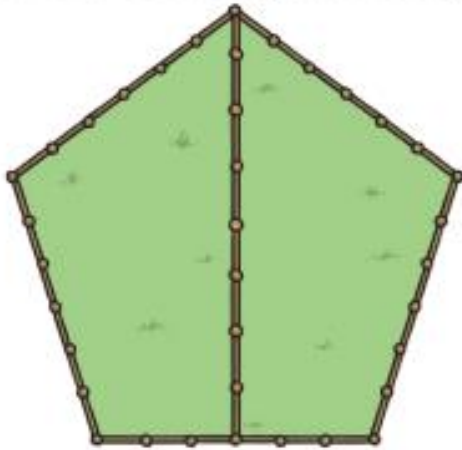

1. Use a ruler to divide the fields into 4 equal parts.

2. Can you think of 2 different ways to divide these fields into quarters?

3. Farmer Jake always divides his fields into quarters.  
Which are Farmer Jake's fields? Can you tick them?

4. This field has been labelled with a quarter. Can you write a quarter on any of the fields above?
