

## My Home Learning Journey Grid: Week beginning: 11<sup>th</sup> January 2021

Add photos or videos to Class Dojo to show us your work!

Please find all resources on the home learning section of the website:

[http://www.seatonsluicesouth.northumberland.sch.uk/website/year\\_4/457682](http://www.seatonsluicesouth.northumberland.sch.uk/website/year_4/457682)

### Task 1

Complete your 5 English activities based on the story of 'The Iron Man', by Ted Hughes. Find everything you need on the website. These must be completed in the correct order.

### Task 2

Complete your 5 maths activities. Find the links on the website. These lessons need to be completed in the correct order.

### Task 3

Learn about solids, liquids and gases using the resources on the website.

### Task 4

Use Google Earth to investigate how to find the coordinates of different places. Complete the activities on the worksheet using the map of the world on the sheet, or your own atlas if you have one.

### Task 5 - Create your own project 'book'!

Pick a country that you are interested in. Your job is to create a project of your own, all about the country you've chosen. You can present your learning in any way you like. For example, a book, a video, a powerpoint etc. You should spend time planning your project and organising your work into categories, e.g., food, climate, location, culture, religion, language and landmarks. This project should take a few weeks to complete, as it will be really comprehensive. We will give you some more ideas to include next week.

### Spellings:

Spellings will be added to the year 4 section of the website.

### Reading:

Please continue to access Bug Club every day and read aloud to an adult.

### Times tables:

Please focus on the 11 times table.
