ParentMail £££ Payments £££ Payments £££ Payments £££ Payments £££

Please remember you can pay online using ParentMail for just about everything in school – after school club, lunches, swimming, school trips, milk ... it's quick, easy and gives you an accurate record of your payments while taking out the child forgetting factor!!

E-Safety:

Key tips:

- Know what your children are doing online.
- As they get older, ensure that they become more resilient to the pressures associated with the Internet
- Be aware who your children are talking to online. Make it clear that people that they don't know are strangers
- Explain why your children should not give out personal details online.
- Emphasise that having many different 'followers' or 'likes' does not necessarily make them popular
- Explain to your child that nothing is private on the Internet – anything can be copied, whether it be private pictures, comments or messages.
- Point out that your child should always consider what an employer or partner might be able to find about them on Google in 5 to 10 years' time.
